THE HANGOUT

If you're hiring our meeting rooms or studio, you'll also be given access to our hangout, where you'll have access to:

- Mixture of tables and seating
- Kitchen facilities
- Coffee machine
- Boiling and chilled water taps
- Working island
- Private snugs
- Pool table
- Comfy sofa zone
- Outdoor patio area

Perfect for a more informal setting, we have our comfy sofa zone which is a great hideaway for a cuppa and catch up with clients or your team, with full natural light and various plant life.

SUSTAINABILITY

UMi is a B Corp certified business so we have a firm focus on people, planet and profit. Our office space is future ready and on target to secure net zero status well before 2045. So you can be confident in working in a space that is contributing to sustainability, climate resilience and is committed to building a greener future.

We have incorporated a selection of low carbon designs, recycling and reducing emissions to minimise our carbon footprint. Not only is this good for the environment but good for businesses as it reduces energy usage. Energy which can be provided by renewable sources.
